NOMINATION BOARD OF ROBIT PLC**

CHARTER OF THE SHAREHOLDERS' NOMINATION BOARD OF ROBIT PLC

1 PURPOSE OF THE SHAREHOLDERS' NOMINATION BOARD

The Shareholders' Nomination Board (the "Nomination Board") of Robit Plc is the company's shareholders' body responsible for preparing proposals to upcoming Annual General Meetings and, where necessary, to any Extraordinary General Meetings concerning the election and remuneration of the members of the Board of Directors and the remuneration of Board Committee members and for ensuring that the Board of Directors and its members have a sufficient level of knowledge and experience that corresponds to the needs of the company.

The Nomination Board must comply with all applicable laws as well as the Finnish Corporate Governance Code.

The Nomination Board's charter regulates the election and the composition of the Nomination Board and defines its tasks and responsibilities.

2 ELECTION AND COMPOSITION OF THE NOMINATION BOARD

The Nomination Board consists of representatives appointed by the four largest shareholders. In addition, the Chair of the company's Board of Directors will participate in the work of the Nomination Board as an expert.

Each year, those four shareholders that hold the largest share of the votes conferred by all shares in the company on the first working day of the September preceding the applicable Annual General Meeting pursuant to the shareholders' register maintained by Euroclear Finland Ltd will be entitled to appoint members that represent the shareholders. In the event that two or more shareholders hold an equal amount of shares and votes, and the representative or representatives nominated by either or all shareholders cannot be appointed to serve on the Nomination Board, the right to appoint a representative to the Nomination Board will be decided by drawing lots.

In the event that a shareholder has divided its holdings e.g. between several funds or its holdings are registered in several registers and the shareholder is obliged, under the Finnish Securities Markets Act, to take these holdings into consideration when disclosing any changes in its ownership shares (flagging obligation), all of the holdings of such a shareholder will be taken into consideration when calculating its share of all votes in order to determine whether the said shareholder is entitled to appoint a member to the Nomination Board if the shareholder submits a written request to the Chair of the Board of Directors to that effect on the 31st day of the August preceding the applicable Annual General Meeting.

If a shareholder does not wish to exercise its right of appointment, the right will be transferred to the next largest shareholder that would otherwise not have the right of appointment.

The Chair of the Board of Directors will request the four largest shareholders, which will be determined as stated above, to each appoint one member to the Nomination Board.

The Chair of the Board of Directors will convene the first meeting of each term of office of the Nomination Board, and the representative of the largest shareholder, i.e. the shareholder that holds the most shares and votes on the first working day of the September based on the company's shareholders' register maintained by Euroclear Finland Ltd, will be appointed as the Chair of the Nomination Board, unless the members of Nomination Board unanimously decide otherwise. In the event that the representative of the largest shareholder also serves as the Chair of the company's Board of Directors, he/she cannot be appointed as the Chair of the Nomination Board, but he/she can serve as a member thereof as a representative of the shareholder.

In the event a shareholder has divested more than half of its shareholding and, as a result of the divestment, no longer constitutes one of the ten largest shareholders of the Company, the appointed representative of such shareholder must resign from his/her position on the Nomination Board. The Nomination Board may

appoint a new member to replace a prematurely vacated seat, and the Nomination Board must appoint new members if the number of Nomination Board members decreases to less than three during the relevant term of office. The Nomination Board must offer the vacated seats to those shareholders (in order of size, based on the votes conferred by all shares in the company) that have not appointed a member to the Nomination Committee.

The established Nomination Board will operate until further notice, i.e. until the General Meeting decides otherwise. The term of office of the members of the Nomination Board will end upon the appointment of the new Nomination Board.

The members of the Nomination Board will not receive any compensation for acting as a member thereof. The members will be compensated for their travel costs in accordance with the company's travel policy. In order to carry out its duties and where necessary, the Nomination Board may, at costs approved by the company, retain the services of external experts.
