

# FURTHER. FASTER.

## The widest offering in top quality drilling consumables

Robit is a global growth company selling and manufacturing drilling consumables. The company provides products and services for the needs of the mining and surface mining, quarrying, underground construction, and well drilling industries. This strongly internationalized company's offering is divided into three product and service areas: Top Hammer, Down the Hole and Geotechnical. Robit has its own sales and service points in eight countries as well as an active dealership network through which it sells to more than 100 countries. Robit's manufacturing units are located in Finland, South Korea, Australia and the UK. Robit's shares are listed on Nasdaq Helsinki Ltd.
