The Board of Directors may decide to either issue new shares or to transfer any treasury shares held by the company.

The authorisation entitles the Board of Directors to decide on all terms that apply to the share issue and to the issuance of special rights entitling to shares, including the right to derogate from the shareholders' pre-emptive right. The Board of Directors proposes that this authorisation be used e.g. for the purposes of strengthening the company's balance sheet and improving its financial status or for other purposes as decided by the Board of Directors.

The Board of Directors proposes that the authorisation remain in force until the end of the following Annual General Meeting, however, no longer than 30 June 2024.
